

ONLINE STORE HOSTING FOR ONE YEAR

The Legislative Services Agency will shortly be offering various items for sale online that are currently only available on an over-the-counter basis, using an application developed by Iowa Interactive. After that agency's store is operational, plans are to make the same application serve the DAD Print Shop and then explore other sales or service possibilities. To facilitate adoption, ITE is recommending that one year of hosting be provided to agencies to conduct online sales of State of Iowa products and services. The hosting would be a shared service, so one agency can simply join an existing agency on the same hosting environment. After the initial year, the agency takes over their cost of hosting fees.

Hosting fees for one year plus setup, plus code installs would be \$2,000. The one-year period would be extended until all agencies have completed their first year of service at which point the hosting fees would cease.
